

REMARKS/ARGUMENTS

Favorable consideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 1-66 are pending in the application, with Claim 24 amended and Claims 33-66 added herewith.

Claim 24 is amended from independent form to dependent form, depending from Claim 1. Thus, the outstanding restriction is moot. New Claims 33-64 correspond to original Claims 1-32, respectively, albeit directed to a method. New Claims 65-66 correspond to amended original Claims 1 and 24, respectively, albeit directed to an apparatus. No new matter is added.

Therefore, examination on the merits of Claims 1-66 is believed to be in order, and an early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
